2. After reviewing the questionnaire it was indicated to Miss Goetz that we could help on certain of the questions if we were called upon. The specific questions on which we could help are as indicated on the attached. Miss Goetz seemed pleased that we were able to indicate some areas of possible assistance although she was informed that the entire matter was reserved as to whether or not the Agency would actually testify at any hearing. In any event she will notify us well in advance of any such proposal.

3. As a matter of interest Miss Goetz advised that the Disarmament Subcommittee which in the future will operate as a subcommittee of Senate Foreign Relations will be made up of the following members: Humphrey (Chairman), Kennedy (in lieu of Sparkman) and Long. From the Republican side - Wiley, Hickenlooper and Langer (in lieu of Knowland).
